BROW ACADEMY

## **3D MICROBLADING COURSE**

Microblading is a great career choice to be your own boss, or add on to any salon service where you can work anywhere in the world. PMU (Permanent Make Up) is the fastest growing service within the Beauty Industry where you can easily add other services such as eyeliner, lips, scalp or areola restoration.

We've created a curriculum that will leave you feeling confident upon completion of the course where we will cover the necessary safety and knowledge, practice on 3 Live Models and you will also learn and observe from an Instructor Demo by Danielle Jackson. The class size is limited to 2 students which guarantee you will receive the best quality hands-on training currently available on Vancouver Island.

In this very informative 4-day Microblading course we will cover more areas than the usual Beginner Microblading courses normally do, with more detailed and in-depth information that will be a strong foundation for your career.

You will get a Premium Microblading Kit worth over \$600 with supplies from HYVE Beauty and full unlimited support for 12 months after completion.

We will cover areas like:

- Skin Anatomy
- Colour Pigment Theory
- Pigment Training
- Eyebrow Design
- Brow Mapping
- Head stroke patterns (3 types)
- Health Safety
- Face Shapes
- Brow Shapes
- Social Media
- Website Design
- Starting your Business and more

\$2850 for 4 days (includes Premium Kit worth over \$600)

You will receive an attendance certificate upon completing the class portion of this course. In order to get certified with Beaula Brow Academy you will have to pass your Bloodborne Pathogens (before the start of the course), as well as your written in-class exam with an 80%.

In addition, you will also need to submit a total of eight candidates to your Instructor, three of which are done in-class, under supervision and guidance, and five on your own time. The work on your five clients will be evaluated with feedback and you will also need to submit two clients with healed results from their First Session before you get your certification. You have a 12 week timeframe to complete the practical aspect of this course.

# **POWDER, OMBRÉ, HYBRID BROWS AND COLOUR CORRECTION COURSE**

Prerequisite required - Beginner Microblading course certification (NOT online training) and WorksafeBC Bloodborne Pathogens Training Certificate  
You have to be an active Microblading Tech who has done at least 20+ brows to take this course. We won't focus as much on Brow Design & Mapping and you should be comfortable working on clients and understand skin. This is not a course for Beginners or students who have not Microbladed anyone within the past year.

Manual & Machine Microshading

We will practice with my machines. You have the option to also buy your own machine and bring it with to the training as well, or purchase one later after getting a feel for it.

Powder Brows / Hybrid Brows

Brow Corrections / Colour Correcting

1 x Perma Blend Colour Correction Pigment & Shading Solution included

5 x Manual Shading Pens

Instructor Demo and Live Model by student

- Colour Pigment Theory
- Colour Correction
- Brow Corrections
- Microshading / Powder Brows
- Hybrid/Combo Brows and more

**\$800 for 1 day training 9am-5pm**

\*\$650 for returning students (10am-5pm)

You will receive your certification after passing your Live Model in class.

If you do not pass your Live Model, you will need to submit two Hybrid or Powder Brows clients within 6 weeks after the course. Your 2 clients will be graded with feedback and you will also need to submit one client with healed results from their First Session.

# POWDER, OMBRÉ, SOFT SHADING & COLOUR CORRECTION COURSE

Shading is getting more popular and not as technical to learn as Microblading. This technique is great for all ages and skin types and gives a beautiful and soft look that looks like perfectly applied Make Up. This course will NOT teach Microblading/strokes or Hybrid/Combo Brows (microblading & shading)

Manual & Machine Shading

\*Biomaser 24k Gold PMU Machine with 20 needles are included (worth \$400)

Powder Brows / Ombre / Soft Shading

Brow Corrections / Colour & Shape Correcting

5 x Perma Blend Pigments, 1 x Colour Correction & Shading Solution (worth \$250)

Numbing agents (x2) included as well as Brow Callipers & String Mapping and more

Instructor Demo and 2 x Live Models by student

- Skin Anatomy
- Colour Pigment Theory
- Pigment Training (Perma Blend)
- Eyebrow Design & Brow Mapping
- Shading / Powder / Ombre Brows
- Needle sizes and selections
- Health Safety
- Colour & Shape Corrections
- Starting your Business and more

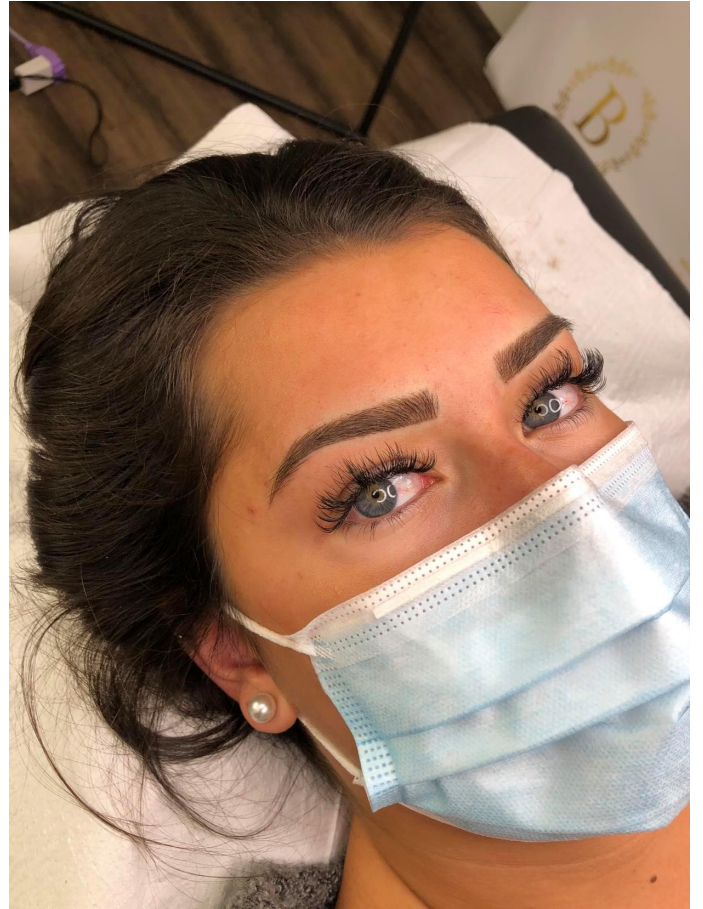

**\$1950 for 2 day training**

Kit Included worth \$750

OR

\$1600 (\*no machine included)

You will receive an attendance certificate upon completing the class portion of this course. In order to get certified with Beaula Brow Academy you will have to pass your Bloodborne Pathogens (before the start of the course) and pass your models in class.

In addition, you will also need to submit a total of 5 candidates to your Instructor, two of which are done in-class, under supervision and guidance, and three on your own time. The work on your three clients will be evaluated with feedback and you will also need to submit two clients with healed results from their First Session before you get your certification. You have a 12 week timeframe to complete the practical aspect of this course and have full unlimited support for 12 months after.

# REFRESHER COURSE

Prerequisite required - Beginner Microblading / Shading course certification that was hands-on training (3+ days) and not done online.

WorksafeBC Bloodborne Pathogens Training Certificate

We will be covering all areas especially what student struggle with  
Instructor Demo

Do you feel like you still aren't confident in your work and struggle with strokes / shading? Was your training lacking information or didn't cover all areas of Beginner Microblading / Shading thoroughly? Do you need some extra help and guidance? Then this course is perfect for you. We will be going through the Beaula Brow Academy training manual and focusing on areas the student need help with. There will be an Instructor Demo and one-on-one time together.

\$550 from 10am-3pm - REQUEST DATE

# HENNA BROWS

Henna Brow by the Hennatician is currently the best Henna Brow pigments in the industry. Henna brows are a form of eyebrow tinting that is used to stain the skin beneath the brow hairs. The purpose of this is to cast a shadow or create an illusion of depth and fullness in the area, visually filling in any sparseness. It lasts about 2 weeks on skin and 4+ weeks on brow hair.

Danielle Jackson is an Official Henna Brow Trainer for Canada

The course will be 5 hours long with an Instructor Demo and Student Live Model and we will focus on Safety and Sanitation, The Science of Henna, Contraindications, Henna Brow® Application Procedure, Henna Brow® Pigments & Colour Assessing as well as Eyebrow Design and Brow Mapping.

\$600 for 5 hours - Henna Brow kit included\* worth \$300

\*as well as brow callipers and pigment mixer

# BROW DESIGN, SHAPE & TINT

This class is open to anyone who wants to learn to design brows or learn a better mapping technique, want to tint and shape brows and add it to their list of services. Instructor Demo & Student Live Model in class

We will focus on areas such as

- Brow Design & Mapping
- Mannequin & Live Model mapping
- Face Shapes & Brow Ratios
- Eyebrow Types
- Correcting Uneven Brows
- Tinting using Brow Code

\$300\* for 2 hours

\$250 with no Brow Code supplies

\*Included: Training Manual, Callipers, a Brow Ruler, String Mapping, Brow Code products (3 shades and activator worth \$80) and a Certificate after completion
